If you will be carrying flag poles get some screws, tacks, and screw them all the way through pole or glue them to pole. Then it prevents others from snatching it. I taped razor blades to my door handles of my vehicles because people were attempting to break in cars in the neighborhood. I was going to do what it took to protect my property.

Pepper Spray is fine especially if it's the regular capsicum type stuff, Stun Guns can be possessed outside of Federal buildings. As for knives if you're 3" or under you're fine, the problem with a blade over 3" is that a prosecutor can be easily claim that you had "unlawful intent". Check the link: <https://mpdc.dc.gov/page/mace-pepper-spray-self-defense-sprays-and-stun-guns>

Wasp spray, if you stay their mask they will have to remove if you get them in the eyes they will be going to an ER. It shoots long range and will cause damage.
heavy duty flash light, medal pipe for flag pole, magazine could be taped around your chest and stomach area to help protect if someone attempts to stab you, role of coins, or a sock with several roles of coins in them. Just a few thoughts

The US Constitution is the supreme law of the land. It states that "the right of the people to keep and bear arms SHALL NOT BE INFRINGED". SCOTUS has also shown itself to not enforce/uphold the constitution when inconvenient to the onus is on YOU to defend your rights.

Do you think a galvanized steel"flag pole" would be a problem? As far as getting stopped. I figured it would blend in and serve as a good leaning pole if needed. ;)

My telescoping selfie stick isn't much of a baton but someone still wouldn't like being smacking across the face with it.

Tactical gloves with knuckle reinforcements. You don't want to get ANTIFA blood or spit in any wounds whatsoever. They're walking hepatitis c factories.

Do not ask for or accept legal advice on the internet. Ask a lawyer who is knowledgeable in D.C. law.

Most forms of protective gear are allowed but anything that is visible on your person which can be construed as or used as a weapon will best case, be confiscated or worst case, used as evidence against you in federal court.

Only FFL or active or retired LE can carry ANY firearms and D.C. does not allow any unconcealed carry by anyone.
